EMPLOYMENT

Prop Shop Artisan at U-M University Productions 2023-Current

- Constructing scenic props from scratch based on renderings provided by designers and research images
- Adapting existing props to fit production needs

Sound Script Intern at The Muny 2025

- Working closely with sound designers, directors, music directors, and all assistants, speaking up when music and/or line assignments have been unclear, and tracking every sound being prepared for the stage

Show Lighting Design Intern at Walt Disney Imagineering 2025

- Working on the 2025 "it's a small world" relight: troubleshooting lighting in a construction environment, performing test and adjust tasks, and assisting with as-built documentation
- Updating the Show Lighting database, schedules, and drawings
- Researching, documenting, and supporting mock-ups and presentations for new attractions across the Disney theme park portfolios
